### How does the service work?

In an effort to make prescription drugs more affordable, OneBeacon Services offers a Discount Prescription Plan that is designed to give users access to more than 11,000 generic and 5,000 brand prescription drugs at over 45,000 pharmacies. Any individual with limited or no prescription drug coverage can benefit from this prescription drug savings card. Individuals who already have an existing plan may still find the card useful, as it can discount medications that are not covered by your existing health plan.

OneBeacon Services online pricing tool gives you the ability to compare prices by specific pharmacy location. The price that is paid is the negotiated discounted price

or the pharmacy's sale price, whichever is lower. This assures that members are getting the lowest possible price. The card is valid at all major chain pharmacies and many independent pharmacies nationwide.

All FDA approved brand and generic prescription medications are covered. Over 11,000 generic drugs available to card holders with discounts that average 61%.

### What if you already have a medical plan with a pharmacy discount?

Good news! Even if you are part of a sponsored medical plan that offers a discount pharmacy program, the OneBeacon Services Discount Prescription Plan still might be an option for you. Using the OneBeacon Services pricing tool — <http://onebeacon.agility.com> compare the price of your current prescription drug cost vs. the OneBeacon Discount Prescription Plan to determine the most cost effective solution for you.

# DISCOUNT PRESCRIPTION PLAN

Valid for the Entire Family

To use the Discount Prescription Plan, you simply need to:

1. **Select a pharmacy/Find a price:** The card is valid at thousands of locations nationwide. Use the location and pricing tool provided on the OneBeacon Services website <http://onebeacon.agelity.com> to locate a participating pharmacy near you and identify pricing information for your prescription medications.
2. **Submit prescription:** Simply present your prescription to the pharmacist. You can even transfer a prescription just by bringing an empty prescription bottle or label to the pharmacy.
3. **Show the card:** Give the prescription drug savings card to the pharmacist each time a prescription order is placed. The card contains special computerized instructions that provide

the pharmacy with the appropriate discounted rate. When the card information is entered, the price on the prescription is discounted based on the pharmacy's negotiated price.

And that's it. Once the prescription is filled, you will immediately receive the discounted price and save.

Contact us at 800.527.1255 and listen for the OneBeacon Services prompt.

The Discount Prescription Plan is not available in Kansas and Illinois. The availability of the Discount Prescription Plan is subject to change. Visit <http://onebeacon.agelity.com> for up to date information.
